**Reference (to be completed by the head teacher referee)**

SLEs are outstanding leaders, with at least two years' experience and excellent knowledge in a particular field of expertise. They work to support individuals and teams in other schools by providing high-level coaching, mentoring and support, drawing on their knowledge and expertise in their specialist area.

All applicants must meet the essential criteria to be accepted as an SLE. Each application is rigorously assessed against the eligibility criteria. We therefore ask referees to take this into account when making a decision to recommend an applicant for the role.

In accordance with the Data Protection Act, the applicant you are providing a reference for has the right to view this reference, should he or she contact the relevant teaching school in order to see it. Please do not include any information that you would not be happy to discuss with the applicant as part of a professional conversation.
